phonetic orchestra piece

instructions:

as a group, find three collective sounds that have enough inherent interest to sustain the piece. all individual sounds should be able to be repeated extremely accurately

the sound used by each individual in the first group sound is sound 1, the second is sound 2, the third is sound 3

the symbol - indicates silence

players may choose not to play, <u>at most</u>, 4 sounds per section

each sound should last for at least half a second, and at most 10 seconds if playing version 1, or 6 seconds if playing version 2
